

199—37.1(477C) Purpose. This chapter describes the board's program established pursuant to Iowa Code section 477C.4 to secure, finance, and distribute telecommunications devices. The board's equipment distribution program serves eligible individuals who are deaf or hard-of-hearing or who have difficulty with speech.

The equipment distribution program will be limited by revenue considerations and annual budget amounts set by the board, with the advice of the dual party relay council established in Iowa Code section 477C.5. Before submitting a proposed annual budget to the board, the board's equipment distribution program project manager shall provide the council with the proposed budget for the council's review and discussion at a council meeting. The project manager will advise the board of any council recommendations regarding the proposed budget. When the budgeted amounts for a period are committed or expended, no further vouchers for equipment will be issued until the next period when the board budgets additional amounts.
