

**761—400.4(321) Supporting documents required.** This rule describes the basic supporting documents to be submitted by an applicant for a certificate of title or registration.

**400.4(1) *New vehicle.*** If application is made for a new vehicle, a manufacturer's certificate of origin, properly assigned to the applicant, shall be submitted. A manufacturer's certificate of origin shall not be accepted if the assignment to the applicant is made by any person other than the manufacturer, importer or distributor, a licensed motor vehicle dealer franchised to sell that line-make of vehicle, or a final-stage manufacturer motor vehicle dealer licensed under rule 761—425.11(322).

*a.* The first person, including a dealer not franchised to sell that line-make of vehicle, who is assigned the manufacturer's certificate of origin shall obtain a certificate of title and register the vehicle.

*b.* An uncanceled security interest noted on the reverse side of a manufacturer's certificate of origin (MCO) shall be noted as a separate security interest on the certificate of title, in addition to any security interest acknowledged by the applicant, unless the applicant indicates in the security interest area on the title application that the security interest is the same as the one noted on the reverse side of the MCO.

*c.* If a 1980 or subsequent model year vehicle is manufactured by a person other than the original manufacturer, both the original manufacturer's certificate of origin and the final-stage manufacturer's certificate of origin shall be submitted if the vehicle's original line-make is changed by the final-stage manufacturer. All assignments or reassignments of ownership of the vehicle shall be made on the final-stage manufacturer's certificate of origin. The face of the original manufacturer's certificate of origin shall be stamped in bold type with the statement: "Final-stage manufacturer's MCO has been issued on this vehicle." The original manufacturer's vehicle identification number shall be listed on the final-stage manufacturer's certificate of origin.

*d.* If a final-stage manufacturer is a motor vehicle dealer licensed under rule 761—425.11(322), the final-stage manufacturer may reassign the original manufacturer's certificate of origin to the retail buyer.

**400.4(2) *Used vehicle registered or titled in this state.*** The last issued certificate of title, properly assigned to the applicant, shall be submitted, unless the applicant is an insurer applying for a salvage certificate of title under Iowa Code section 321.52(4). An uncanceled security interest noted on the face of the certificate of title shall be noted on the face of the certificate of title issued to the applicant, in addition to any security interest acknowledged by the applicant. If the vehicle is not subject to titling provisions, the last issued registration receipt or bill of sale, properly assigned to the applicant, shall be submitted.

**400.4(3) *Used vehicle from a foreign jurisdiction.*** If the vehicle was subject to the issuance of a certificate of title in the foreign jurisdiction, the certificate of title issued by the foreign jurisdiction to the applicant or properly assigned to the applicant shall be submitted, unless the applicant is an insurer applying for a salvage certificate of title under Iowa Code section 321.52(4).

*a.* A security interest, noted on the face of the foreign certificate of title, which has not been canceled, shall be noted on the face of the certificate of title issued to the applicant, in addition to any security interest acknowledged by the applicant.

*b.* A certificate of title issued in a foreign jurisdiction may be assigned to a motor vehicle dealer in another jurisdiction, and the dealer may reassign the certificate of title to the applicant. An assignment or reassignment form issued by a foreign jurisdiction may be used with a foreign title to complete an assignment or reassignment of ownership from a foreign motor vehicle dealer to the applicant, provided the ownership chain is complete.

*c.* An Iowa licensed motor vehicle dealer who acquires a vehicle registered in another state or country may reassign the foreign certificate of title to the applicant, as provided in Iowa Code subsection 321.48(2) and rule 761—400.27(321,322).

*d.* A person who registers a foreign vehicle under Iowa Code subsection 321.23(3) shall be issued a nontransferable-nonnegotiable registration. To transfer ownership of the vehicle, the owner must first obtain an Iowa certificate of title except as follows: If ownership is transferred to an Iowa licensed motor vehicle dealer as provided in Iowa Code subsection 321.23(3), the foreign certificate of title may be assigned to the dealer; the owner is not required to obtain an Iowa title. The dealer may then reassign the foreign title, as provided in Iowa Code subsection 321.48(2) and rule 761—400.27(321,322).

*e.* If the vehicle was not subject to the issuance of a certificate of title in the foreign jurisdiction, the registration document issued by the foreign jurisdiction to the applicant or properly assigned to the applicant shall be submitted.

(1) If the foreign registration document is not issued in the applicant's name and does not contain an assignment of ownership form, a bill of sale conveying ownership from the owner as listed on the foreign registration document to the applicant shall be submitted with the foreign registration document.

(2) Upon receipt of the foreign registration document, the county treasurer shall issue a nontransferable—nonnegotiable registration unless the foreign registration document has been approved by the department.

(3) Acceptance of the foreign registration document shall be determined by the department on an individual basis, if the county treasurer of the county where the certificate of title is to be issued cannot determine whether the document is acceptable.

*f.* If a trailer weighing 2000 lbs. or less is exempt from the issuance of a certificate of title and registration in the foreign jurisdiction, a bill of sale conveying ownership to the applicant, if acquired by a resident from a nonresident, or an affidavit of ownership signed by the applicant, if the applicant is establishing residence in this state, shall be submitted.

*g.* If a motor vehicle is exempt from the issuance of a certificate of title and registration in the foreign jurisdiction, the bonding procedures as provided in Iowa Code section 321.24 shall be followed.

**400.4(4)** *Used vehicle acquired by a resident of this state from a government agency.* If the vehicle was acquired from an agency of the federal government, the applicant shall surrender the government bill of sale, General Services Administration Form 97, or Internal Revenue Service Form 2435, properly assigned to the applicant. If the vehicle was acquired from the state of Iowa or a subdivision of government, the applicant shall surrender the Iowa certificate of title issued in the name of the agency, properly assigned to the applicant.

**400.4(5)** *Manufactured or mobile home.* If the vehicle described on the application is a manufactured or mobile home with an Iowa title, the applicant shall submit a tax clearance form to show that no taxes are owing, unless the title has been issued to a manufactured or mobile home retailer licensed under Iowa Code chapter 103A. The form may be obtained by any owner of record of the manufactured or mobile home from the county treasurer.

**400.4(6)** *Vehicle acquired by a resident of this state by operation of law.* If the vehicle was acquired by the applicant by operation of law as specified in Iowa Code section 321.47, the last issued certificate of title shall be submitted by the applicant, or when that is not possible, presentation of satisfactory proof of the applicant's ownership and right of possession to the vehicle shall be submitted by the applicant. Proof of ownership may consist of a foreclosure sale affidavit, artisan's or storage lien affidavit, affidavit of death intestate, abandoned vehicle sales receipt, peace officers bill of sale or court order. See also subrules 400.14(4) and 400.14(5).

**400.4(7)** *Foreign ownership document issued in a language other than English.* A foreign ownership document issued in a language other than English may be required to be reproduced in writing in English and certified to be a correct translation by a person qualified to translate that particular language. The English translation and certification shall be submitted with the foreign ownership document.

**400.4(8)** *Titles from foreign jurisdictions.*

*a.* Except as provided in paragraph "*b*" of this subrule, a certificate of title issued by a foreign jurisdiction shall not be accepted if the title contains an alteration or erasure.

*b.* An affidavit of correction form issued by a foreign jurisdiction that corrects the certificate of title issued by the foreign jurisdiction shall be accepted only for the reason listed on the affidavit of correction form. However, acceptance of an affidavit of correction form that corrects an odometer statement or a designation shall be determined by the department on an individual basis.

**400.4(9)** *Applications in the name of trusts.* An application in the name of a trust shall be accompanied by a copy of all documents creating or otherwise affecting the trust or by the certification of trust as defined in Iowa Code section 633A.4604.

*a.* The certification of trust may be signed by any trustee or the attorney for any trustee.

b. The application shall be signed by the number of trustees as specified in the trust agreement, and the applicant shall provide the department with the document or the certification of trust specifying the required signatories for the trust.

c. If a certification of trust is provided, one of the following shall apply:

(1) Any currently acting trustee may sign the application if the certification of trust states that such trustee may act individually.

(2) A majority of the trustees must sign the application if the certification of trust states that the trustees must act by majority decision.

(3) All currently acting trustees must sign the application if the certification of trust states that the trustees must act by unanimous decision.

d. A certification of trust must meet the requirements of Iowa Code section 633A.4604, including but not limited to providing the names of all the currently acting trustees. If there are two or more currently acting trustees, the certification of trust must state whether the trustees may act individually, whether the trustees must act by majority decision or whether the trustees must act by unanimous decision. If the certification of trust does not meet said requirements, the certification of trust will be considered invalid for the purposes of the application.

e. Each signature on the application shall be followed by the words “as trustee.”

**400.4(10) *Driverless-capable vehicles.*** If an application is made for a driverless-capable vehicle, the department may require the application to be accompanied by the operational design domain.

**400.4(11) *Supporting document retained by county treasurer.*** All supporting documents, except those submitted pursuant to subrule 400.3(17), shall be retained by the county treasurer.

This rule is intended to implement Iowa Code sections 321.20, 321.23, 321.24, 321.30, 321.31, 321.45 to 321.50, 321.67, 321.515, 321.519, 322.3 and 633A.4604.
