Applicants currently eligible for Medicaid shall be added to the waiting list on the basis of the date the applicant requests HCBS BI program services.

(2) In the event that more than one application is received at one time, applicants shall be entered on the waiting list on the basis of the month of birth, January being month one and the lowest number.

c. Persons who do not fall within the available slots shall have their applications rejected but their names shall be maintained on the waiting list. As slots become available, persons shall be selected from the waiting list to maintain the number of approved persons on the program based on their order on the waiting list.

d. Applicants who currently reside in a community-based neurobehavioral rehabilitation residential setting, an intermediate care facility for persons with an intellectual disability (ICF/ID), a skilled nursing facility, or an ICF and have resided in that setting for six or more months may request a reserved capacity slot through the brain injury waiver.

(3) Persons who do not fall within the available reserved capacity slots shall have their names maintained on the reserved capacity slot waiting list. As reserved capacity slots become available at the beginning of the next waiver year, persons shall be selected from the reserved capacity slot waiting list to utilize the number of approved reserved capacity slots based on their order on the waiting list.

e. The department shall reserve a set number of funding slots each waiver year for emergency need for all applicants who are on the waiting list maintained by the state on July 1, 2019, and for all new applications received on or after July 1, 2019. (3) Applicants who meet an emergency need criterion shall be placed on the emergency reserved capacity priority waiting list based on the total number of criteria in subparagraph 83.82(4) “e”(1) that are met. If applicants meet an equal number of criteria, the position on the waiting list shall be based on the date of application and the age of the applicant. The applicant who has been on the waiting list longer shall be placed higher on the waiting list. If the application date is the same, the older applicant shall be placed higher on the waiting list.

(4) Applicants who meet an urgent need criterion shall be placed on the priority waiting list after applicants who meet emergency need criteria. The position on the waiting list shall be based on the total number of criteria in subparagraph 83.82(4) “e”(2) that are met. The applicant who has been on the waiting list longer shall be placed higher on the waiting list. If the application date is the same, the older applicant shall be placed higher on the waiting list.

(5) Applicants who do not meet emergency or urgent need criteria shall remain on the waiting list, based on the date of application. If the application date is the same, the older applicant shall be placed higher on the waiting list.

(6) Applicants shall remain on the waiting list until a payment slot has been assigned to them for use, they withdraw from the list, or they become ineligible for the waiver. If there is a change in an applicant’s need, the applicant may contact the local department office and request that a new emergency needs assessment be completed. The outcome of the assessment shall determine placement on the waiting list as directed in this subrule.

f. To maintain the approved number of members in the program, persons shall be selected from the waiting list as payment slots become available, based on their priority order on the waiting list.

(1) Once a payment slot is assigned, the department shall give written notice to the person within five working days.

(2) The department shall hold the payment slot for 30 days for the person to file a new application. If an application has not been filed within 30 days, the slot shall revert for use by the next person on the waiting list, if applicable.
