

193C—3.2(542B) Examination application components and due dates.

3.2(1) *Fundamentals of Engineering examination application components and due dates.* Applications for the Fundamentals of Engineering examination are submitted directly to the examination service selected by the board to administer the examinations and must be received on or before September 1 of each year for the examination given in the fall and on or before March 1 of each year for the examination given in the spring. Applications from the following applicants are submitted on forms provided by the examination service: any applicant who has an ABET/EAC or Canadian Engineering Accreditation Board (CEAB) accredited engineering degree; any applicant who is enrolled as a senior student in an ABET/EAC or CEAB accredited engineering curriculum; or any applicant who has a master's degree in engineering from an institution in the United States with an accredited bachelor's degree in the same curriculum. Applicants who do not meet the criteria above must submit an application for approval to the board on forms provided by the board. The components of this application include: the completed, notarized application form; references; and transcripts.

3.2(2) *Fundamentals of Land Surveying examination application components and due dates.* The components of this application include: the completed, notarized application form; references pursuant to 193C—paragraph 5.1(5)“b”; and transcripts. Fundamentals of Land Surveying examination applications require a detailed review and must, therefore, be submitted to the board office, postmarked on or before July 15 of each year for the examination given in the fall and on or before January 15 of each year for the examination given in the spring.

3.2(3) *Principles and Practice examination application components and due dates.* The components of the application for the Principles and Practice of Engineering and the Principles and Practice of Land Surveying examinations include: the completed, notarized application form; the ethics questionnaire; references; transcripts; verification of examination records; and the project statement. Principles and Practice of Engineering and Principles and Practice of Land Surveying examination applications require a detailed review and must, therefore, be submitted to the board office, postmarked on or before July 15 of each year for the examination given in the fall and on or before January 15 of each year for the examination given in the spring.
