

282—11.34(272) Reinstatement. Any person whose license, certificate or authorization to practice has been suspended may apply to the board for reinstatement in accordance with the terms and conditions of the order of the suspension.

11.34(1) All proceedings for reinstatement shall be initiated by the respondent, who shall file with the board an application for reinstatement. Such application shall be docketed in the original case in which the license, certificate or authorization was suspended. All proceedings upon the application for reinstatement shall be subject to the same rules of procedure as other cases before the board.

11.34(2) An application for reinstatement shall allege facts which, if established, will be sufficient to enable the board to determine that the basis for the suspension of the respondent's license, certificate or authorization no longer exists and that it will be in the public interest for the license, certificate or authorization to be reinstated. The burden of proof to establish such facts shall be on the respondent.

11.34(3) An order denying or granting reinstatement shall be based upon a decision which incorporates findings of fact and conclusions of law.
