

282—17.8(272) Renewal requirements for the initial license.

17.8(1) If a person meets all requirements for the standard license except for the options required in 282—paragraph 14.112“2,” the initial license may be renewed upon written request. A second renewal may be granted if the holder of the initial license has not met the options required in 282—paragraph 14.112“2” and if the license holder can provide evidence of teaching employment which will be acceptable for the experience requirement.

A Class A license may be issued instead of renewing the initial license to another initial license if the applicant verifies one of the following:

- a.* The applicant is involved in the second year of the mentoring and induction program, but the license will expire before the second year of teaching is completed.
- b.* The applicant has taught for two years in a nonpublic school setting and needs one additional year of teaching to convert the initial license to the standard license.

The fee for this Class A license is \$25.

17.8(2) Each applicant renewing an initial license must submit documentation of completion of the child and dependent adult abuse training approved by the state abuse education review panel. A waiver of this requirement may apply under the following conditions with appropriate documentation of any of the following:

- a.* A person is engaged in active duty in the military service of this state or of the United States.
- b.* The application of this requirement would impose an undue hardship on the person for whom the waiver is requested.
- c.* A person is practicing a licensed profession outside this state.
- d.* A person is otherwise subject to circumstances that would preclude the person from satisfying the approved child and dependent adult abuse training in this state.
