

531—11.10(99G) Disability of prizewinner. The lottery may petition any court of competent jurisdiction for a determination of the rightful payee for the payment of any prize winnings which are or may become due a person under a disability because of, but not limited to, underage, mental deficiency, or physical or mental incapacity.

This rule is intended to implement Iowa Code Supplement sections 99G.9(3), 99G.21(2), and 99G.31.
