

281—120.61(34CFR303) Transition planning for students eligible for Part B preschool services. In the case of a child who may be eligible for preschool services under Part B, with the approval of a parent of the child, a conference shall be convened among the lead agency or grantee designee, the service coordinator, the family, the local education agency, and providers of other appropriate services at least 90 days and, at the discretion of the parties, up to 6 months before the child transitions to preschool services to discuss any services that the child may receive. [34 CFR 303.148(b)(2)(i)]
