

**761—131.6(321) Erection of signs for special events.** The purpose of this rule is to establish requirements, procedures and responsibilities for the erection of signs for special events.

**131.6(1) Requirements.**

- a. Expected attendance of over 10,000 people per day.
- b. Gathering to involve attendance of people on a statewide basis or nationwide basis.
- c. Events shall not be regularly scheduled activities, such as the state fair, an area fair, a county fair, 4-H exhibits, rodeos or auto races.

**131.6(2) Procedures.**

- a. A request for special event signing shall be submitted to the appropriate district office.
- b. The office of traffic and safety shall determine if the request is to be approved or denied.
- c. The office of traffic and safety shall designate the signing requirements and locations for the signs.

**131.6(3) Responsibilities.**

- a. The required signs shall be furnished by the sponsoring organization.
- b. The signs shall be placed and removed by the sponsoring organization.
- c. The sponsoring organization shall provide for personnel to direct traffic during the duration of the event.

**131.6(4) Duration of placement.** The signs are to be in place only on the day or days of the special event.
