

**761—131.7(321) Erection of signs for organized off-highway camps.** The purpose of this rule is to establish requirements, procedures and responsibilities for the erection of signs for organized off-highway camps.

**131.7(1) Requirements.** The camps shall be permanent and operated by recognized and established civic, religious, and nonprofit charitable organizations.

**131.7(2) Procedures.**

*a.* A request for signing shall be submitted to the appropriate district office.

*b.* The office of traffic and safety shall determine if the request is to be approved or denied.

**131.7(3) Financial responsibility.** The department of transportation shall purchase, install and maintain the signs upon the prepayment by the organization of the cost of purchase, installation and maintenance.
