

**701—250.19(321) Homemade vehicles.**

**250.19(1)** Homemade vehicles are exempt from the fee for new registration as described in Iowa Code section 321.105A(2)“c”(16). For the purposes of the vehicle fee for new registration, a homemade vehicle is one that has been constructed from any combination of new, used, or homemade parts that does not resemble a vehicle that was manufactured under a specific year, make, and model by a manufacturer and is not intended for resale.

**250.19(2)** Homemade vehicles include:

*a.* A vehicle that has been structurally modified so that it does not have the same appearance as a similar vehicle from the same manufacturer.

EXAMPLE: A vehicle with modified fenders, engine compartment lid, and front end, but still recognizable as the make/model of the vehicle, is not considered homemade;

*b.* A vehicle that has been constructed entirely from homemade parts and materials not obtained from other vehicles; or

*c.* A vehicle that has been constructed by using major component parts from one or more manufactured vehicles and cannot be identified as a specific make and model.

This rule is intended to implement Iowa Code section 321.105A.
