

351—4.16(68A,68B) Schedule D - Incurred Indebtedness.

4.16(1) *Reporting of debts and obligations other than monetary loans.* The committee shall report all debts and obligations owed by the committee which are in excess of the thresholds in subrule 4.14(3). This applies to any unpaid debt or obligations incurred by the committee for the purchase of a good or service, either as a debt or obligation owed to the immediate provider of the good or service, or as a debt or obligation owed to an individual who initially personally paid for the good or service on behalf of the committee with the expectation of ultimately receiving reimbursement from the committee. However, monetary loans to the committee (which are deposited directly into the committee's account) shall be reported on Schedule F, not on Schedule D.

4.16(2) *Date incurred; balance owed.* The committee shall report the amounts of all indebtedness owed by the committee at the end of the reporting period, reported chronologically by the date incurred. The date the debt or obligation is incurred is the date on which the committee committed to obtaining the good or service underlying the obligation. This date may be earlier than the date the provider of the good or service issues a bill to the committee. For example, if the committee places a printing order, but the printer does not issue a bill until some time after the order is placed, the date which shall be reported as the date the debt was incurred is the date the order is placed, not the date the bill was issued. If the precise amount of the final bill is not known by the time the report is due, the committee shall provide its best estimate as to what the obligation will be, with an indication "(e)" that the amount reported is an estimate. The complete date (month/day/year) shall be provided. Debts and obligations incurred and reported in a prior reporting period but which remain unpaid as of the end of the current reporting period shall be included, showing the remaining balance on the obligation, as well as any new obligations incurred in the current reporting period. Payments of all or part of a previously reported obligation shall be reported as expenditures on Schedule B.

4.16(3) *Name and address of person to whom the debt or obligation is owed.* The schedule shall contain the name and address of each person to whom an obligation is owed, including both those obligations which were incurred during the reporting period and those outstanding obligations which are being carried forward from prior reports. If the obligation is owed to an individual who initially personally paid for the good or service on behalf of the committee with the expectation of ultimately receiving reimbursement from the committee, the original nature of the obligation shall be provided; the name and address of the original provider of the good or service shall also be provided, unless the nature of the obligation indicates that the obligation is for the anticipated reimbursement for mileage or postage stamps.

4.16(4) *Nature of obligation.* The schedule shall include a description of the nature of each obligation. The description shall be a clear and concise statement that specifically describes the transaction which has occurred. The following general terms are examples of descriptions which are not acceptable: "expenses," "reimbursement," "candidate expense," "services," "supplies," and "miscellaneous expense." The following are examples of acceptable descriptions: "printing—candidate yard signs," "printing—PAC membership solicitation letter," "mailing—candidate brochures," "anticipated reimbursement for candidate lodging to attend campaign event," or "anticipated mileage reimbursement—150 miles @ 25¢ per mile." A combined description is not acceptable unless sufficient information is provided so that the cost of separate purposes can be discerned, for example, "printing and mailing of 1,000 brochures."

This rule is intended to implement Iowa Code section 68A.402.
