

655—16.3(152E) Limitations on multistate licensure privilege—discipline.

16.3(1) All home state board disciplinary orders, agreed or otherwise, which limit the scope of the licensee's practice or require monitoring of the licensee as a condition of the order shall include the requirement that the licensee will limit the licensee's practice to the home state during the pendency of the order. This requirement may allow the licensee to practice in other party states with prior written authorization from both the home state and party state boards.

16.3(2) An individual who held a license that was surrendered, revoked, or suspended or who submitted an application that was denied for cause in a prior state of primary residence may be issued a single-state license in a new primary state of residence until such time as the individual would be eligible for an unrestricted license by the prior state(s) of adverse action. Once an individual is eligible for licensure in the prior state(s), a multistate license may be issued.
