4.6(4) Members employed in a "protection occupation" shall include:

(See employee classifications in rule 495—5.1(97B).) Effective January 1, 1995, part-time police officers shall be included.

c. Correctional officers as provided for in Iowa Code section 97B.49B. Employees who, prior to December 22, 1989, were in a "correctional officer" position but whose position is found to no longer meet this definition on or after that date shall retain coverage, but only for as long as the employee is in that position or another "correctional officer" position that meets this definition. Movement to a position that does not meet this definition shall cancel "protection occupation" coverage.

d. Airport firefighters employed by the military division of the department of public defense (airport firefighters). Effective July 1, 2004, airport firefighters become part of and shall make the same contributions as the other members covered under Iowa Code section 97B.49B. From July 1, 1994, through June 30, 2004, airport firefighters were grouped with and made the same contributions as sheriffs and deputy sheriffs. From July 1, 1988, through June 30, 1994, airport firefighters were grouped with and made the same contributions as the other members covered under Iowa Code section 97B.49B. From July 1, 1986, through June 30, 1988, airport firefighters were a separate protection occupation group and made contributions at a rate calculated for members of that group. Prior to July 1, 1986, airport firefighters were grouped with regular members and made the same contributions as regular members.

Notwithstanding the foregoing, all airport firefighter service prior to July 1, 2004, shall be coded by IPERS as sheriff/deputy sheriff/airport firefighter service, and all airport firefighter service after June 30, 2004, shall be coded by IPERS as protection occupation service. This coding, however, shall not supersede provisions of this title that require members to make contributions at higher rates in order to receive certain benefits, such as in the hybrid formula pursuant to 495—12.4(97B).

e. Airport safety officers employed under Iowa Code chapter 400 by an airport commission in a city with a population of 100,000 or more, and employees covered by the Iowa Code Supplement chapter 8A merit system whose primary duties are providing airport security and who carry or are licensed to carry firearms while performing those duties.

No additional contributions shall be required by regular service reclassified as special service under this paragraph.

b. Effective July 1, 2006, for a member whose prior regular service position is reclassified by the legislature as a special service position, all prior service by the member in such regular service position shall continue to be coded by IPERS staff as regular service unless the legislature specifically provides in its legislation for payment of the related actuarial costs of such reclassified service as required under Iowa Code section 97B.65 as amended by 2006 Iowa Acts, House File 729, section 10.

4.6(6) Effective July 1, 2006, in the determination of a sheriff's or deputy sheriff's eligibility for benefits and the amount of such benefits under Iowa Code section 97B.49C, all protection occupation service credits for that member shall count toward the total years of eligible service as a sheriff or deputy sheriff. However, this subrule shall not be construed to alter the statutory requirement that a sheriff or deputy sheriff must be employed as a sheriff or deputy sheriff at termination of covered employment in order to qualify for benefits under Iowa Code section 97B.49C as amended by 2006 Iowa Acts, House File 2245, section 5.
