

**193F—20.17(17A) Service and filing of pleadings and other papers.**

**20.17(1) *When service is required.*** Except where otherwise provided by law, every pleading, motion, document, or other paper filed in a contested case proceeding and every paper relating to discovery in such a proceeding shall be served upon each of the parties of record to the proceeding, including the person designated as prosecutor for the state, simultaneously with their filing. Except for the original notice of hearing and statement of charges, and an application for rehearing as provided in Iowa Code section 17A.16(2), the party filing a document is responsible for service on all parties. A notice of hearing and statement of charges shall be served by the board as provided in subrule 20.6(2). Once a specific administrative law judge has been assigned to a case, copies of all prehearing motions shall also be served on the administrative law judge.

**20.17(2) *Service—how made.*** Service upon a party represented by an attorney shall be made upon the attorney unless otherwise ordered. Service is made by delivery, including through electronic transmission if reasonably calculated to reach the party or the party’s attorney, or by mailing a copy to the person’s last-known address. Service by mail is complete upon mailing, except where otherwise specifically provided by statute, rule, or order.

**20.17(3) *Filing—when required.*** After the notice of hearing, all pleadings, motions, documents or other papers in a contested case proceeding shall be filed with the board. All pleadings, motions, documents or other papers that are required to be served upon a party shall be filed simultaneously with the board.

**20.17(4) *Filing—how and when made.*** Except where otherwise provided by law, a document is deemed filed at the time it is received by the board. Parties may file documents with the board by hand delivery or mail or by electronic transmission to the email address specified in the notice of hearing. If a document required to be filed within a prescribed period or on or before a particular date is received by the board after such period or such date, the document shall be deemed filed on the date it is mailed by first-class mail or state interoffice mail, so long as there is proof of mailing. Filing by electronic transmission is complete upon transmission unless the party making the filing learns that the attempted filing did not reach the board. The board will not provide a mailed file-stamped copy of documents filed by email or other approved electronic means.

**20.17(5) *Proof of mailing.*** Proof of mailing includes either a legible United States Postal Service nonmetered postmark on the envelope, a certificate of service, a notarized affidavit, or a certification in substantially the following form:

I certify under penalty of perjury and pursuant to the laws of Iowa that, on (date of mailing), I mailed copies of (describe document) addressed to the Iowa Real Estate Appraiser Examining Board and to the names and addresses of the parties listed below by depositing the same in (a United States post office mailbox with correct postage properly affixed or state interoffice mail).

**20.17(6) *Electronic service.*** Email or similar electronic means, unless precluded by a provision of law, shall be permitted to accomplish service where such electronic transmission is reasonably calculated to reach the other party or the other party’s attorney. Factors to consider in determining whether such electronic transmission is reasonably calculated to reach the other party include, but are not limited to, prior communication practices between the parties, whether consent has been given by a party or the party’s attorney, and whether the presiding officer has previously entered an order authorizing service by electronic transmission. Service by electronic transmission is complete upon transmission unless the board or party making service learns that the attempted service did not reach the party to be served.
