

193F—24.1(68B) Selling or leasing of goods or services by members of the board. The board members shall not sell or lease, either directly or indirectly, any goods or services to individuals, associations, or corporations that are subject to the regulatory authority of the board except as authorized by this rule, and by the consent documents filed with the Iowa ethics and campaign disclosure board pursuant to Iowa Code section 68B.4 and the corresponding provisions of rule 351—6.11(68B).

24.1(1) Conditions of consent for members. Consent shall be given by a majority of the members of the board upon a finding that the conditions required by Iowa Code section 68B.4, as described in 351—subrule 6.11(4), have been satisfied. The board may grant a blanket consent for sales and leases to classes of individuals, associations, or corporations when such blanket consent is consistent with 351—subrule 6.11(4) and the granting of single consents is impractical or impossible to determine.

24.1(2) Authorized sales and leases.

a. A member of the board may sell or lease goods or services to any individual, association, or corporation regulated by any division within the department of commerce, other than the board on which that official serves. This consent is granted because the sale or lease of such goods or services does not affect the board member's duties or functions on the board. The board has filed its blanket consent to such sales and leases with the ethics and campaign disclosure board.

b. A member of the board may sell or lease goods or services to any individual, association, or corporation regulated by the board if those goods or services are routinely provided to the public as part of that person's regular professional practice. This consent is granted because the sale or lease of such goods or services does not affect the board member's duties or functions on the board. In the event a complaint is filed with the board concerning the services provided by the board member to a member of the public, that board member is otherwise prohibited by law from participating in any discussion or decision by the board in that case, as provided, for instance, in the code of administrative judicial conduct at 481—Chapter 15. The board has filed its blanket consent to such sales and leases with the ethics and campaign disclosure board. The board intends that the blanket consent be interpreted broadly to allow routine professional services offered directly to the general public and to licensees, such as continuing education instruction or peer review services. Such consent recognizes that those licensees most proficient and ethical in their professional careers may also be among those whose services are desirable to enrich the professional competence of licensees. Interpreting the blanket consent broadly accordingly removes a possible disincentive to board membership.

c. Individual application and approval are not required for the sales and leases authorized by this rule and by the consents filed with the ethics and campaign disclosure board unless there are unique facts surrounding a particular sale or lease which would cause the sale or lease to affect the seller's or lessor's duties or functions, would give the buyer or lessee an advantage in dealing with the board, or would otherwise present a conflict of interest as defined in Iowa Code section 68B.2A or common law.

24.1(3) Application for consent. Prior to selling or leasing a good or service to an individual, association, or corporation subject to the regulatory authority of the department of commerce, an official must obtain prior written consent, as provided in 351—subrule 6.11(3), unless the sale or lease is specifically allowed in subrule 24.1(2) and in the consents filed with the ethics and campaign disclosure board. The request for consent must be in writing and signed by the official requesting consent. The application must provide a clear statement of all relevant facts concerning the sale or lease. The application should identify the parties to the sale or lease and the amount of compensation. The application should also explain why the sale or lease should be allowed. All applications must conform to the requirements of 351—subrule 6.11(3).

24.1(4) Limitation of consent. Consent shall be in writing and shall be valid only for the activities and the time period specifically described in the consent. Consent can be revoked at any time by a majority vote of the members of the board upon written notice to the board. A consent provided under this rule does not constitute authorization for any activity which is a conflict of interest under common law or which would violate any other statute or rule. It is the responsibility of the official requesting consent to ensure compliance with all other applicable laws and rules. The board's ruling on each application, whether consent is conferred or denied or conditionally granted, shall be filed with the ethics and campaign disclosure board pursuant to 351—subrule 6.11(7). An official who receives a denial or

conditional consent may appeal the ruling to the ethics and campaign disclosure board as provided in 351—subrule 6.11(6).

This rule is intended to implement Iowa Code chapter 68B.
