

531—1.12(99G) Advertising. Advertising for lottery games may include but is not limited to print advertisements, Internet, radio and television advertisements, billboards, and point-of-purchase display materials. Promotional and advertising items may be produced and distributed to the public, vendors, and retailers.

This rule is intended to implement Iowa Code Supplement sections 99G.2, 99G.7, and 99G.21.
