

261—81.7 (15) Claiming the tax credit.

81.7(1) *Maximum tax credit claimed.* An eligible business that has entered into an agreement pursuant to rule 261—81.5(15) may claim a tax credit in an amount equal to the product of five cents multiplied by the number of pounds of renewable chemicals produced in this state from biomass feedstock by the eligible business during a given production year within the limits set forth in rule 261—81.6(15). An eligible business may claim a tax credit for the production of more than one qualifying renewable chemical under this chapter, provided that the total tax credit claimed by the eligible business does not exceed the limits set forth in subrule 81.6(1). However, an eligible business shall not receive a tax credit for the production of a secondarily derived building block chemical if that chemical is also the subject of a credit at the time of production as a first product. The renewable chemical production tax credit shall not be available for any renewable chemical produced before the 2017 calendar year or after the 2026 calendar year.

81.7(2) *Who may claim the credit.* The tax credit shall be allowed against taxes imposed under Iowa Code chapter 422, division II or III. The tax credit shall be claimed for the tax year during which the eligible business was issued the tax credit. An individual may claim a tax credit under this chapter of a partnership, limited liability company, S corporation, cooperative organized under Iowa Code chapter 501 and filing as a partnership for federal tax purposes, estate, or trust electing to have income taxed directly to the individual. The amount claimed by the individual shall be based upon the pro rata share of the individual's earnings from the partnership, limited liability company, S corporation, cooperative, estate, or trust.

a. To claim a tax credit under this rule, a taxpayer shall include one or more tax credit certificates with the taxpayer's tax return.

b. The tax credit certificate shall contain the taxpayer's name, address, and tax identification number, the amount of the credit, the name of the eligible business, and any other information required by the department of revenue.

c. The tax credit certificate, unless rescinded by the authority, shall be accepted by the department of revenue as payment for taxes imposed pursuant to Iowa Code chapter 422, divisions II and III, subject to any conditions or restrictions placed by the authority upon the face of the tax credit certificate and subject to the limitations of the program.

81.7(3) *Refundability.* Any tax credit in excess of the tax liability is refundable. In lieu of claiming a refund, the taxpayer may elect to have the overpayment shown on the taxpayer's final, completed return credited to the tax liability for the following tax year.

81.7(4) *Transferability.* Tax credit certificates issued pursuant to this chapter shall not be transferred to any other person.
