79.14(3) Program integrity information requirements.

a. All providers, including but not limited to managed care organizations and Medicaid fiscal agents, applying for participation in the Iowa Medicaid program must disclose all information required to be submitted pursuant to 42 CFR Part 455. In addition, all providers shall disclose any current, or previous, direct or indirect affiliation with a present or former Iowa Medicaid provider that:

(1) Has any uncollected debt owed to Medicaid or any other health care program funded by any governmental entity, including but not limited to the federal and state of Iowa governments;

b. The Iowa Medicaid enterprise may deny enrollment to a provider applicant or disenroll a current provider that has any affiliation as set forth in this rule if the department determines that the affiliation poses a risk of fraud, waste, or abuse. Such denial or disenrollment is appealable under 441—Chapter 7 but, notwithstanding any provision to the contrary in that chapter, the provider shall bear the burden to prove by clear and convincing evidence that the affiliation does not pose any risk of fraud, waste, or abuse. The Iowa Medicaid enterprise shall deny enrollment to or shall immediately disenroll any person that the Iowa Medicaid enterprise, Medicare, or any other state Medicaid program has ever terminated under rule 441—79.2(249A) or a similar provision and shall deny enrollment to any person presently suspended from participation, or who would be subject to a suspension, under paragraph 79.2(3) "c." (2) An ownership arrangement;

(3) Managerial authority over any member of the affiliation;

(5) The ability of a third party to control or influence any member of the affiliation.

d. Notwithstanding any previous successful enrollment in the medical assistance program, the passing of any background check by the department or any other entity, or similar prior approval for participation as a provider in the medical assistance program, in whole or in part, disenrollment from the medical assistance program is mandatory when, in the case of a corporation or similar entity, 5 percent or more of the corporation or similar entity is owned, controlled, or directed by a person who (1) has

within the last five years been listed on any dependent adult abuse registry, child abuse registry, or sex offender registry; (2) has pled guilty or nolo contendere to, or was convicted of, any crime punishable by a term of imprisonment greater than five years; (3) has, within the last five years, pled guilty or nolo contendere to, or was convicted of, any controlled substance offense; (4) has, within the last ten years, pled guilty or nolo contendere to, or was convicted of, any crime involving an allegation of dishonesty punishable by a term of imprisonment greater than one year but not more than five years; or (5) within the last ten years, has on more than one occasion pled guilty or nolo contendere to, or was convicted of, any crime involving an allegation of dishonesty.

79.14(4) Screening procedures and requirements. Providers applying for participation in the Iowa Medicaid program shall be subject to the “limited,” “moderate,” or “high” categorical risk screening procedures and requirements in accordance with 42 CFR §455.450.

a. For the types of providers that are recognized as a provider under the Medicare program, the Iowa Medicaid enterprise shall use the same categorical risk screening procedures and requirements assigned to that provider type by Medicare pursuant to 42 CFR §424.518.

b. Provider types not assigned a screening level by the Medicare program shall be subject to the procedures of the “limited” risk screening level pursuant to 42 CFR §455.450.

c. Adjustment of risk level. The Iowa Medicaid enterprise shall adjust the categorical risk screening procedures and requirements from “limited” or “moderate” to “high” when any of the following occurs:

(1) The Iowa Medicaid enterprise imposes a payment suspension on a provider based on a credible allegation of fraud, waste, or abuse; the provider has an existing Medicaid overpayment; or within the previous ten years, the provider has been excluded by the Office of the Inspector General or another state’s Medicaid program; or

(2) The Iowa Medicaid enterprise or the Centers for Medicare and Medicaid Services in the previous six months lifted a temporary moratorium for the particular provider type, and a provider that was prevented from enrolling based on the moratorium applies for enrollment as a provider at any time within six months from the date the moratorium was lifted.

79.14(5) Notification. A provider shall be notified of the decision on the provider’s application within 30 calendar days of receipt by the Iowa Medicaid enterprise provider services unit of a complete and correct application with all required documents, including, but not limited to, if applicable, any application fees or screening results.

79.14(6) A provider that is not approved as the Medicaid provider type requested shall have the right to appeal under 441—Chapter 7.

79.14(7) Effective date of approval. An application shall be approved retroactive to the date requested by the provider or the date the provider meets the applicable participation criteria, whichever is later, not to exceed 12 months retroactive from the receipt of the application with all required documents by the Iowa Medicaid enterprise provider services unit.

79.14(8) A provider approved for certification as a Medicaid provider shall complete a provider participation agreement as required by rule 441—79.6(249A).

79.14(9) No payment shall be made to a provider for care or services provided prior to the effective date of the Iowa Medicaid enterprise’s approval of an application.

79.14(10) Payment rates dependent on the nature of the provider or the nature of the care or services provided shall be based on information on the application, together with information on claim forms, or on rates paid the provider prior to April 1, 1993.

79.14(11) An amendment to an application shall be submitted to the Iowa Medicaid enterprise provider services unit and shall be approved or denied within 30 calendar days. Approval of an amendment shall be retroactive to the date requested by the provider or the date the provider meets all applicable criteria, whichever is later, not to exceed 30 days prior to the receipt of the amendment by

the Iowa Medicaid enterprise provider services unit. Denial of an amendment may be appealed under 441—Chapter 7.

79.14(12) A provider that has not submitted a claim in the last 24 months will be sent a notice asking if the provider wishes to continue participation. A provider that fails to reply to the notice within 30 calendar days of the date on the notice will be terminated as a provider. Providers that do not submit any claims in 48 months will be terminated as providers without further notification.

79.14(13) Report of changes. The provider shall inform the Iowa Medicaid enterprise of all pertinent changes to enrollment information within 35 days of the change. Pertinent changes include, but are not limited to, changes to the business entity name, individual provider name, tax identification number, mailing address, telephone number, or any information required to be disclosed by subrule 79.14(3).

a. When a provider reports false, incomplete, or misleading information on any application or reapplication, or fails to provide current information within the 35-day period, the Iowa Medicaid enterprise may immediately terminate the provider's Medicaid enrollment. The termination may be appealed under 441—Chapter 7. Such termination remains in effect notwithstanding any pending appeal.

b. When the department incurs an informational tax-reporting fine or is required to repay the federal share of medical assistance paid to the provider because a provider submitted inaccurate information or failed to submit changes to the Iowa Medicaid enterprise in a timely manner, the fine or repayment shall be the responsibility of the individual provider to the extent that the fine or repayment relates to or arises out of the provider's failure to keep all provider information current.

(1) The provider shall remit the amount of the fine or repayment to the department within 30 days of notification by the department that the fine has been imposed.

(2) Payment of the fine or repayment may be appealed under 441—Chapter 7.

79.14(16) Provider revalidation. Providers are required to complete the application process and screening requirements as detailed in this rule every five years.

79.14(17) Recoupment. A provider is strictly liable for any failure to disclose the information required by subrule 79.14(3) or any failure to report a change required by subrule 79.14(13). The department shall recoup as incorrectly paid all funds paid to the provider before a complete disclosure or report of change was made. The department shall also recoup as incorrectly paid all funds to any provider that billed the Iowa Medicaid enterprise while the provider was administratively dissolved by the Iowa secretary of state or comparable agency of another state, even if the provider subsequently obtains a retroactive reinstatement from the Iowa secretary of state or similar action was taken against the provider by a comparable agency of another state.
