

701—52.48 (404A,422) Historic preservation and cultural and entertainment district tax credit for projects registered on or after August 15, 2016. The economic development authority is authorized by the general assembly to award tax credits for a percentage of the qualified rehabilitation expenditures on a qualified rehabilitation project as described in the historic preservation and cultural and entertainment district tax credit program, Iowa Code chapter 404A. The program is administered by the economic development authority with the assistance of the department of cultural affairs and the department of revenue. The general assembly has mandated that the economic development authority, the department of cultural affairs and the department of revenue adopt rules as necessary to administer Iowa Code chapter 404A. In general, the department of revenue is responsible for administering tax credit transfers and processing and auditing tax returns that include tax credits claimed on returns. For the economic development authority's rules on the credit program, see 261—Chapter 49. For the department of cultural affairs' rules on the credit program, see 223—Chapter 48.

52.48(1) Program transition. 2016 Iowa Acts, House File 2443, made several changes to the credit program, including transferring primary responsibility for the program's administration from the department of cultural affairs to the economic development authority. Projects registered prior to August 15, 2016, remain under the purview of the department of cultural affairs, with assistance from the department of revenue. For department of revenue rules related to projects registered prior to August 15, 2016, see rules 701—52.18(404A,422) and 701—52.47(404A,422).

52.48(2) Application, registration, and agreement for the historic preservation and cultural and entertainment district tax credit. For rules on the application, registration, and agreement process, see economic development authority rules, 261—Chapter 49.

52.48(3) Computation of the amount of the historic preservation and cultural and entertainment district tax credit. The amount of the historic preservation and cultural and entertainment district tax credit is a maximum of 25 percent of the qualified rehabilitation expenditures verified by the economic development authority following project completion, up to the amount specified in the agreement between the taxpayer and the economic development authority. For more information on the credit computation, see economic development authority rules, 261—Chapter 49. The amount remains subject to audit by the department of revenue when the credit is claimed on the taxpayer's tax return.

52.48(4) Qualified rehabilitation expenditures. "Qualified rehabilitation expenditures" means the same as defined in Iowa Code section 404A.1(7) and rule 261—49.5(404A) of economic development authority rules. In the event of an audit, the department of revenue evaluates whether expenditures comply with the agreement between the economic development authority and the eligible taxpayer, as well as with applicable statutes and rules, including Internal Revenue Code Section 47 and its related regulations.

52.48(5) Completion of the qualified rehabilitation project and claiming the tax credit. After the economic development authority verifies the taxpayer's eligibility for the tax credit, the economic development authority shall issue a tax credit certificate. For more information on credit certificate issuance, see economic development authority rules, 261—Chapter 49.

a. Claiming the credit. For the taxpayer to claim the credit, the certificate must be included with the taxpayer's corporation income tax return for the tax year in which the rehabilitation project is completed or the corporation income tax return for any year within the five years following the year of project completion. Taxpayers that elect to delay claiming the credit to a later year's return as described in this paragraph are subject to the carryforward limitations described in paragraph 52.48(5) "d" below. The credit may be claimed on an amended return so long as the amended return is filed within the statute of limitations applicable to the tax year for which the amended tax return is being filed.

b. Information required. The tax credit certificate shall include the taxpayer's name, the taxpayer's address, the taxpayer's tax identification number, the address or location of the rehabilitation project, the date the project was completed, the amount of the historic preservation and cultural and entertainment district tax credit, and, if applicable, an indication of whether the credit is nonrefundable (see paragraph 52.48(5) "c" below). In addition, the tax credit certificate shall include a place for the name and tax identification number of a transferee and the amount of the tax credit being transferred,

as provided in subrule 52.48(6). In addition, if the taxpayer is a partnership, limited liability company, estate or trust, and the tax credit is allocated to the owners or beneficiaries of the entity, a list of the owners or beneficiaries and the amount of credit allocated to each owner or beneficiary shall be provided with the certificate.

c. Refundability. A historic preservation and cultural and entertainment district tax credit in excess of the taxpayer's tax liability is fully refundable with interest computed under Iowa Code section 422.25. In lieu of claiming the refund, the taxpayer may elect to have the overpayment credited to the tax liability for the following tax year. To receive a refundable credit, the taxpayer must elect to receive the credit as refundable at the Part 3 stage of the application process administered by the economic development authority. See the economic development authority's rule 261—49.15(404A). Once the taxpayer elects to receive a nonrefundable credit, the taxpayer cannot elect to change the credit to a refundable credit or vice versa. If the taxpayer is a transferee, the taxpayer may elect to receive the credit as refundable or nonrefundable when the taxpayer applies to the department of revenue for transfer of the tax credit as described in subrule 52.48(6).

d. Carryforward. If the taxpayer elects to receive a nonrefundable historic preservation and cultural and entertainment district tax credit as described in paragraph 52.48(5) "b," the amount in excess of the taxpayer's tax liability may be carried forward for five years following the tax year in which the project is completed, or until it is depleted, whichever is earlier. A tax credit shall not be carried back to a tax year prior to the tax year in which the taxpayer is first eligible to claim the credit. Regardless of whether the taxpayer elects to claim the tax credit on a tax return for a year that is later than the year of project completion as described in paragraph 52.48(5) "a," the taxpayer must utilize the entire credit within five years following the tax year of the project completion as described in this paragraph; any credit that is not utilized within the five-year carryforward period is forfeited. The five-year carryforward limitation does not apply if the taxpayer elects to receive a refundable credit, the excess of which may be credited to future tax years as an overpayment.

e. Allocation of historic preservation and cultural and entertainment district tax credits to the individual owners of the entity or beneficiaries of an estate or trust. A partnership, limited liability company or S corporation may designate the amount of the tax credit to be allocated to each partner, member or shareholder. The credit does not have to be allocated based on the pro rata share of earnings of the partnership, limited liability company or S corporation. For an individual claiming a tax credit of an estate or trust, the amount claimed by the individual shall be based upon the pro rata share of the individual's earnings from the estate or trust.

52.48(6) *Transfer of the historic preservation and cultural and entertainment district tax credit.* The historic preservation and cultural and entertainment district tax credit certificates may be transferred to any person or entity. The transferee may use the amount of the tax credit transferred against the taxes imposed in Iowa Code chapter 422, divisions II, III, and V, and in Iowa Code chapter 432, for any tax year that the original transferor could have claimed the tax credit. Transferees must elect to receive either a refundable or nonrefundable tax credit. Once the transferee elects to receive a nonrefundable credit, the transferee cannot elect to change the credit to a refundable credit or vice versa. A tax credit certificate of less than \$1,000 shall not be transferable.

a. Transfer process—information required. Within 90 days of transfer of the tax credit certificate, the transferee must submit the transferred tax credit certificate to the department of revenue along with a statement that contains the transferee's name, address and tax identification number, the amount of the tax credit being transferred, an election to receive either a refundable or nonrefundable tax credit, and the amount of all consideration provided in exchange for the tax credit and the names of recipients of any consideration provided in exchange for the tax credit. If a payment of money was any part of the consideration provided in exchange for the tax credit, the transferee shall list the amount of the payment of money in its statement to the department of revenue. If any part of the consideration provided in exchange for the tax credit included nonmonetary consideration, including but not limited to any promise, representation, performance, discharge of debt or nonmonetary rights or property, the tax credit transferee shall describe the nature of the nonmonetary consideration and disclose any value

the transferor and transferee assigned to the nonmonetary consideration. The tax credit transferee must indicate on its statement to the department of revenue if no consideration was provided in exchange for the tax credit. Within 30 days of receiving the transferred tax credit certificate and the statement from the transferee, the department of revenue will issue the replacement tax credit certificate to the transferee. If the transferee is a partnership, limited liability company or S corporation, the transferee shall provide a list of the partners, members or shareholders and information on how the historic preservation and cultural and entertainment district tax credit should be divided among the partners, members or shareholders. The transferee shall also provide the tax identification numbers and addresses of the partners, members or shareholders. The certificate must have the same information required for the original tax certificate and must have the same expiration date as the original tax credit certificate. The transferee may not claim a tax credit until a replacement certificate identifying the transferee as the proper holder has been issued.

b. Consideration. Any consideration received for the transfer of the tax credit shall not be included in Iowa taxable income for individual income, corporation income or franchise tax purposes. Any consideration paid for the transfer of the tax credit shall not be deducted from Iowa taxable income for individual income, corporation income or franchise tax purposes.

c. Unlimited number of transferees and subsequent transfers. There is no limitation on the number of transferees to whom the tax credit may be transferred. There is no limitation on the number of times that the credit may be retransferred by a transferee. The transferor may divide the credit into multiple credits of alternate denominations so long as the resulting credits are for amounts of no less than \$1,000.

d. Carryforward limitations on transferees. The transferee may use the amount of the transferred tax credit for any tax year that the original transferor could have claimed the tax credit. The carryforward limitations described in paragraph 52.48(4) “d” shall apply.

52.48(7) Appeals. Challenges to an action by the department of revenue related to tax credit transfers, the claiming of tax credits, tax credit revocation, or repayment or recovery of tax credits must be brought pursuant to 701—Chapter 7.

This rule is intended to implement Iowa Code chapter 404A as amended by 2016 Iowa Acts, House File 2443, and Iowa Code section 422.33.
