

7—2506.9(17A) Disqualification.

2506.9(1) A presiding officer or other person must withdraw from participation in the making of any proposed or final decision in a contested case if that person:

- a.* Has a personal bias or prejudice concerning a party or a representative of a party;
- b.* Has personally investigated, prosecuted, or advocated in connection with that case, the specific controversy underlying that case, another pending factually related contested case, or a pending factually related controversy that may culminate in a contested case involving the same parties;
- c.* Is subject to the authority, direction or discretion of any person who has personally investigated, prosecuted, or advocated in connection with that contested case, the specific controversy underlying that contested case, or a pending factually related contested case or controversy involving the same parties;
- d.* Has acted as counsel to any person who is a private party to that proceeding within the past two years;
- e.* Has a personal financial interest in the outcome of the case or any other significant personal interest that could be substantially affected by the outcome of the case;
- f.* Has a spouse or relative within the third degree of relationship who is:
 - (1) A party to the case or an officer, director or trustee of a party;
 - (2) An attorney in the case;
 - (3) Known to have an interest that could be substantially affected by the outcome of the case; or
 - (4) Likely to be a material witness in the case; or
- g.* Has any other legally sufficient cause to withdraw from participation in the decision making in that case.

2506.9(2) The term “personally investigated” means taking affirmative steps to interview witnesses directly or to obtain documents or other information directly. The term does not include general direction and supervision of assigned investigators, unsolicited receipt of information relayed to assigned investigators, review of another person’s investigative work product in the course of determining whether there is probable cause to initiate a proceeding, or exposure to factual information while performing other agency functions, including fact gathering for purposes other than investigation of the matter that culminates in a contested case. If the presiding officer in the case has received factual information relevant to the merits of a contested case before being assigned as the presiding officer, the presiding officer is obligated to disclose that information to the parties to the extent required by Iowa Code section 17A.17(3) and subrules 2506.9(3) and 2506.23(9).

2506.9(3) A party that believes a presiding officer is disqualified must file a motion supported by an affidavit in accordance with Iowa Code section 17A.17(7). The motion must be filed as soon as practicable after the reason alleged in the motion becomes known to the party.

a. If a party during the course of the hearing becomes aware of evidence of bias or other grounds for disqualification, the party may move for disqualification at that time but must establish the grounds introducing the evidence into the record.

b. If disqualification is required, the presiding officer or other person is obligated to withdraw. If withdrawal is not required, the presiding officer will enter an order to that effect. A party asserting disqualification may seek an interlocutory appeal under rule 7—2506.25(17A) and seek a stay under rule 7—2506.29(17A).
