

185—5.8(123) Dramshop liability insurance requirements. For the purpose of providing proof of financial responsibility, as required under the provisions of Iowa Code section 123.92, a liability insurance policy shall meet the following requirements.

5.8(1) Current certificate required. The dramshop liability certificate of insurance shall be issued by a company holding a current certificate of authority from the Iowa insurance commissioner authorizing the company to issue dramshop liability insurance in Iowa or issued under the authority and requirements of Iowa Code sections 515.147 to 515.149. The dramshop policy shall take effect the day the license or permit takes effect and shall continue until the expiration date of the license or permit. A new dramshop liability certificate of insurance shall be provided each time the division issues a new license.

5.8(2) Minimum coverage required. The dramshop liability insurance policy shall provide the following minimum liability coverage, exclusive in interests and cost of action, per occurrence:

- a. Fifty thousand dollars for bodily injury to or death of one person in each claim or occurrence.
- b. One hundred thousand dollars for bodily injury to or death of two or more persons in each occurrence.
- c. Twenty-five thousand dollars for loss of means of support of any one person in each occurrence.
- d. Fifty thousand dollars for loss of means of support of two or more persons in each occurrence.

5.8(3) Permitted policies. All dramshop policies issued under this rule shall be occurrence-based policies, not claims-made-based policies.

a. *Claims-made-based policies.* Claims-made-based policies provide liability coverage only if a written claim is made during the policy period, or any applicable extended reporting period.

b. *Occurrence-based policies.* Occurrence-based policies provide liability coverage only for injury or damage that occurs during the policy period regardless of the number of written claims made.

5.8(4) Cancellation. An insurance company or an insured may cancel a liability policy by giving a minimum of 30 days' prior written notice to the division of the party's intent to cancel the liability policy. The 30-day period shall begin on the date that the division receives the notice of cancellation. The party seeking to cancel a liability policy shall mail written notice of such cancellation to the division in Ankeny, Iowa, by certified mail, and further shall mail a copy of the notice of cancellation to the licensee or permittee, at that party's post office address. The notice of cancellation shall contain: the name of the party to whom the copy of the notice of cancellation was mailed, the address to which the copy of the notice of cancellation was sent, the date on which the notice of cancellation was mailed, the date the liability policy is being canceled, and the liquor control license or permit number of the licensee or permittee to be affected by such cancellation.

5.8(5) Civil tort liability. Subject to the ordinary or customary exclusions usually found in a policy of dramshop liability insurance, the policy shall contain coverage to insure against all civil tort liability of the insured, created under Iowa Code sections 123.92, 123.93 and 123.94, as those sections now exist or may hereafter be amended.

5.8(6) Proof of financial responsibility. A licensee or permittee shall be deemed to have furnished proof of financial responsibility as contemplated under the provisions of Iowa Code sections 123.92, 123.93, and 123.94 when the licensee or permittee has filed with the division at its offices in Ankeny, Iowa, a properly executed form as described by 185—subrule 12.2(12).

5.8(7) Signature required. Copies of the form described above shall not be deemed properly executed unless the authorized company representative executing the same shall first have filed with the division a sample of the representative's signature. Electronic and facsimile signatures will be acceptable.

5.8(8) Multiple establishment insurance policies. Any licensee that holds multiple licenses throughout the state may purchase an aggregate dramshop insurance policy for all locations provided that:

- a. The amount of coverage for the aggregate policy is equal to the minimum required coverage multiplied by the number of establishments covered under the dramshop policy.
- b. The aggregate policy provides at least the minimum level of coverage required under this rule for each and every location covered by the policy.
- c. All other provisions of this rule are met by the aggregate policy.

5.8(9) *Assault and battery policy requirement.* Any dramshop insurance policy issued under this rule shall not contain an exclusionary clause for assault and battery or intentional force with regard to:

- a.* Employees, agents or any person acting as an agent of the establishment.
- b.* All patrons or visitors to the establishment.

5.8(10) *Implementation dates.* During the 12-month period commencing on September 1, 2003, all licensees and permittees applying for or renewing a license or permit shall obtain a dramshop insurance policy that conforms to the provisions of rule 5.8(123).

This rule is intended to implement Iowa Code sections 123.92, 123.93 and 123.94.
