- c. The obligation to maintain required records continues even after the registrant ceases business operations in Iowa and turns in or surrenders its registration. The owners and directors of the registrant are responsible for ensuring that this requirement is met for the period required under Iowa Code section 543E.13 and this chapter.
- d. The registrant shall keep all required records for at least five years from the date the record was created, unless a longer retention period is required by statute.

The dispute resolution policy shall provide for external review of the decision in question or internal review of the decision in question by an officer or employee of a registrant who holds a higher position than the individual who made the decision in question.
- e. *Corporate records.* A registrant shall maintain lists of all owners, directors, officers, and employees, as well as the minutes from meetings of the registrant's board of directors if the registrant's corporate structure includes a board of directors.
