

641—131.9 (147A) Reinstatement of certification.

131.9(1) Any person whose certification to practice has been revoked or suspended may apply to the department for reinstatement in accordance with the terms and conditions of the order of revocation or suspension, unless the order of revocation provides that the certification is permanently revoked.

131.9(2) If the order of revocation or suspension did not establish terms and conditions upon which reinstatement might occur or if the certification was voluntarily surrendered, an initial application for reinstatement may not be made until one year has elapsed from the date of the order or the date of the voluntary surrender.

131.9(3) All proceedings for reinstatement shall be initiated by the respondent, who shall file with the department an application for reinstatement of the certification. Such application shall be docketed in the original case in which the certification was revoked, suspended, or relinquished. All proceedings upon the application for reinstatement shall be subject to the same rules of procedure as other cases before the department.

131.9(4) An application for reinstatement shall allege facts which, if established, will be sufficient to enable the department to determine that the basis for the revocation or suspension of the respondent's certification no longer exists and that it will be in the public interest for the certification to be reinstated. The burden of proof to establish such facts shall be on the respondent.

131.9(5) An order denying or granting reinstatement shall be based upon a decision which incorporates findings of facts and conclusions of law. The order shall be published as provided for in this chapter.
