

641—77.1(137) Purpose of local boards of health. The local board of health shall have jurisdiction over public health matters within its designated geographic area according to Iowa Code chapter 137. The local board of health shall promote and protect the health of the citizens, and carry out the powers of local boards as specified in Iowa Code sections 137.6 and 137.7, and all other applicable Iowa Code chapters.
