

**441—114.16(237) Work or vocational experiences.**

**114.16(1) *Written description.*** The facility shall have a written statement of any work and vocational experiences available to children.

**114.16(2) *Program component.*** Work as part of the program shall be identified in the child's case plan.

**114.16(3) *Self-care.*** Ordinary self-care and self-sufficiency tasks are not considered work.

**114.16(4) *Purpose.*** Work shall be in the child's interest, within the child's ability, with payment where appropriate, and never solely in the interest of the facility's goals or needs.

This rule is intended to implement Iowa Code section 237.2.
