

441—177.5(249) Providers of health care services.

177.5(1) *Age.* The provider shall be at least 18 years of age.

177.5(2) *Physician's report.* The provider shall obtain a physician's report at the time service is initiated and annually thereafter. The report shall be on Form 470-0672, Provider Health Assessment.

177.5(3) *Qualifications.* The provider shall be qualified by training and experience to carry out the health care plan as specified in rule 177.4(4).

177.5(4) *Relative.* The provider may be related to the client, so long as the provider is not a member of the family as defined in rule 441—130.1(234).
