

481—63.19(135C) Orientation and service plan.

63.19(1) Orientation. Within 24 hours of admission, each resident shall receive orientation to the facility. The orientation program shall be documented in the resident's file and shall include, but shall not be limited to, a review of the resident's rights, the daily schedule, house rules and the facility's evacuation plan. (II, III)

63.19(2) Initial service plan. Within 48 hours of admission, the administrator or the administrator's designee shall develop an initial service plan to address any immediate health and safety needs. The plan shall be based on information gathered from the resident, family, referring party, primary care provider, and other significant persons. The plan shall be followed until the service plan required in subrule 63.19(3) is complete. (I, II, III)

63.19(3) Service plan. Within 30 days of admission, the administrator or the administrator's designee, in conjunction with the resident and the resident's interdisciplinary team, shall develop a written, individualized, and integrated service plan for the resident. The service plan shall be developed and implemented to address the resident's priorities and assessed needs, such as activities of daily living, rehabilitation, activity, and social, behavioral, emotional, physical and mental health. (I, II, III)

a. The service plan shall include measurable goals and objectives and the specific service(s) to be provided to achieve the goals. Each goal shall include the date of initiation and anticipated duration of service(s). Any restriction of rights shall be included in the service plan. (I, II, III)

b. The service plan shall include the documentation procedure for each goal and objective. (II, III)

c. The service plan should be modified to add or delete goals and objectives as the resident's needs change. Communications related to service plan changes or changes in the resident's condition shall occur within five working days of the change and shall be conveyed to all individuals inside and outside the residential care facility who work with the resident, as well as to the resident's responsible party. (I, II, III)

d. The service plan shall be reviewed at least quarterly by relevant staff, the resident and appropriate others, such as the resident's family, case manager and responsible party. The review shall include a written report which addresses a summary of the resident's progress toward goals and objectives and the need for continued services. (I, II, III)
