

**761—164.7(307,312) Project agreement.**

**164.7(1)** After the commission has approved funding, a project agreement shall be negotiated and executed between the department and the jurisdiction. The agreement shall specify the following:

*a.* Conditions for project funding, which may include such items as the responsibility for planning, design, right-of-way, contracting, construction, materials inspection, documentation and the criteria for each.

*b.* The funding level for the eligible work items.

**164.7(2)** The department will reimburse the jurisdiction for actual eligible project costs not to exceed the amounts authorized by the project agreement.
