17.4(5) *Licensure application review process.* The process below is utilized to review each application. Priority is given to processing a licensure application when a written request is received in the board office from an applicant whose practice will primarily involve provision of services to underserved populations, including but not limited to persons who are minorities or low-income or who live in rural areas.

a. An application for initial licensure is considered open from the date the application form is received in the board office with the nonrefundable initial application fee.

b. After reviewing each application, staff will notify the applicant about how to resolve any problems identified by the reviewer. An applicant shall provide additional information when requested by staff or the board.

c. If the final review indicates no questions or concerns regarding the applicant's qualifications for licensure, staff may administratively grant the license. The staff may grant the license without having received a report on the applicant from the FBI.

d. If the final review indicates questions or concerns that cannot be remedied by continued communication with the applicant, the executive director, the director of licensure and the director of legal affairs will determine if the questions or concerns indicate any uncertainty about the applicant's current qualifications for licensure.

(1) If there is no current concern, staff will administratively grant the license.

(2) If any concern exists, the application will be referred to the committee.

e. Staff will refer to the committee for review matters that include but are not limited to: falsification of information on the application, criminal record, malpractice, substance abuse, competency, physical or mental illness, or professional disciplinary history.

f. If the committee is able to eliminate questions or concerns without dissension from staff or a committee member, the committee may direct staff to issue the license administratively.

g. If the committee is not able to eliminate questions or concerns without dissension from staff or a committee member, the committee will recommend that the board:

(1) Request an investigation;

- (2) Request that the applicant appear for an interview;

- h.* The board will consider applications and recommendations from the committee and will:
 - (1) Request an investigation;
 - (2) Request that the applicant appear for an interview;
 - (3) If an applicant has not engaged in active practice in the past three years in any jurisdiction of the United States, require an applicant to:
 - 1. Successfully complete continuing education or retraining programs in areas directly related to the safe and healthful practice of acupuncture deemed appropriate by the board or committee;
 - 2. Successfully pass a competency evaluation approved by the board;
 - 3. Successfully pass an examination approved by the board; or

 - (4) Issue a license;
 - (5) Issue a license under certain terms and conditions or with certain restrictions;
 - (6) Request that the applicant withdraw the licensure application; or
 - (7) Deny a license. The board may deny a license for any grounds on which the board may discipline a license.

17.4(6) *Grounds for denial of licensure.* The board, on the recommendation of the committee, may deny an application for licensure for any of the following reasons:

a. Failure to meet the requirements for licensure specified in rule 653—17.3(147,148E) as authorized by Iowa Code section 148E.2 or of this chapter.

b. Pursuant to Iowa Code section 147.4, upon any of the grounds for which licensure may be revoked or suspended as specified in Iowa Code sections 147.55 and 148E.8 or in 481—Chapter 8.

17.4(7) *Preliminary notice of denial.* Prior to the denial of licensure to an applicant, the board will issue a preliminary notice of denial that will be sent to the applicant by regular, first-class mail at the address provided by the applicant. The preliminary notice of denial is a public record and cites the factual and legal basis for denying the application, notifies the applicant of the appeal process, and specifies the date upon which the denial will become final if it is not appealed.

17.4(8) *Appeal procedure.* An applicant who has received a preliminary notice of denial may appeal the denial and request a hearing on the issues related to the preliminary notice of denial by serving a request for hearing upon the executive director not more than 30 calendar days following the date when the preliminary notice of denial was mailed. The applicant's current address shall be provided in the request for hearing. The request is deemed filed on the date it is received in the board office. If the request is received with a USPS nonmetered postmark, the board will consider the postmark date as the date the request is filed. The request shall specify the factual or legal errors and that the applicant desires an evidentiary hearing and may provide additional written information or documents in support of licensure.

17.4(9) *Hearing.* If an applicant appeals the preliminary notice of denial and requests a hearing, the hearing will be a contested case open to the public and conducted in accordance with 481—Chapter 506.

17.4(10) *Finality.* If an applicant does not appeal a preliminary notice of denial in accordance with subrule 17.4(8), the preliminary notice of denial automatically becomes final. A final denial of an application for licensure is a public record.

17.4(11) *Failure to pursue appeal.* If an applicant appeals a preliminary notice of denial in accordance with subrule 17.4(8) but the applicant fails to pursue that appeal to a final decision within one year from the date of the preliminary notice of denial, the board may dismiss the appeal. The appeal may be dismissed only after the board sends a written notice by first-class mail to the applicant at the applicant's last-known address. The notice will state that the appeal will be dismissed and the preliminary notice of denial will become final if the applicant does not contact the board to schedule the appeal hearing within 30 days of the date the letter is mailed from the board office. Upon dismissal of an appeal, the preliminary notice of denial becomes final. A final denial of an application for licensure under this rule is a public record.

17.4(12) *Waiver prohibited.* Provisions of this rule are not subject to waiver pursuant to 481—Chapter 6 or any other provision of law.
