

701—1000.15(123) Timely filed status.

1000.15(1) In addition to the requirements that may be imposed by a local authority upon the holder of a retail alcohol license to obtain timely filed status of a renewal application, the department may grant timely filed status if the applicant complies with the following conditions:

- a.* The applicant submits a completed application with the local authority or the department as required by applicable law.
- b.* The applicant submits a current dramshop liability certificate by the license expiration date if proof of dramshop liability is required as a condition precedent to the issuance of the license.
- c.* The applicant pays the appropriate license fee in full as required by applicable law.
- d.* A bond has been certified by the carrier if a bond is required as a condition precedent to the issuance of the license under applicable law.

1000.15(2) Timely filed status allows the holder of the license or permit to continue to operate under a license after its expiration and until the local authority and the department have finally determined whether the license should be issued. If the application for the license is denied, timely filed status continues until the last day for seeking judicial review of the department's action.

This rule is intended to implement Iowa Code sections 123.3, 123.32, 123.35, and 17A.18.
