

761—103.4(312) Process for approval of a new or modified distribution formula.

103.4(1) Proposals to adopt a new or modified distribution formula may be initiated by the executive board of either the Iowa county engineers association or the Iowa state association of county supervisors upon request to the commission.

103.4(2) When a formula change has been initiated or requested, the commission directs the committee to develop a work plan and set up a work schedule.

103.4(3) The committee is to evaluate the proposal and, within 18 months after initiation or receipt of the proposal, publish an official report outlining the committee's findings and recommendations.

103.4(4) If the official report recommends adoption of a new or modified distribution formula, the chair communicates the details of the committee's recommendations to all county engineers, all county supervisors and the department in such a manner as the committee deems appropriate. This communication solicits comments on the committee's recommendations.

103.4(5) After receipt and consideration of comments from counties, the committee may adopt a resolution that formally proposes a distribution formula and places it into official consideration.

103.4(6) The chair forwards the resolution to the executive boards of both the Iowa county engineers association and the Iowa state association of county supervisors, with a request for endorsement of the proposed distribution formula.

103.4(7) If both executive boards endorse the proposed distribution formula, the chair requests each individual county to consider and adopt a resolution in favor of or in opposition to the proposed distribution formula.

103.4(8) If at least 66 counties adopt resolutions in favor of the proposed distribution formula, the chair forwards the distribution formula to the commission for action.

103.4(9) If the distribution formula is adopted by the commission, the committee chair notifies the following organizations and groups when the distribution formula has been approved:

- a.* The executive board of the Iowa county engineers association.
- b.* The executive board of the Iowa state association of county supervisors.
- c.* The systems planning and local systems bureaus of the department.
- d.* The office of the treasurer of state.
- e.* All county engineers and county supervisors.
- f.* The Iowa county engineers association service bureau.
