145.5(1) *Reevaluation.* The department will utilize information collected from the annual report to assist in annually evaluating the ongoing need for a mobile system at each location listed in the permit. The department may also consider the following factors in the reevaluation:

- a. Changes in traffic speeds, volumes, or patterns.
- b. Changes in roadway infrastructure.
- c. Changes in zoning or land use.
- d. Implementation or consideration of other safety countermeasures.
- e. Appropriate administration of the mobile system by the local authority.

145.5(2) *Reserve the right.* The department reserves the right to rescind a permit, remove a mobile location from a permit, or require modification of a mobile system.

145.5(3) *Continued use.* A local authority may continue to operate a mobile system at a location listed in the original permit until five days after the date the department rescinds the permit or amends the permit to remove the mobile location.
