

193B—2.4(544A,17A) Reinstatement of lapsed certificate of licensure to active status. An individual may reinstate a lapsed certificate of licensure to active licensure as follows:

2.4(1) Pay the current renewal fee.

2.4(2) Pay the reinstatement fee of \$100 plus \$25 per month or partial month of expired licensure up to a maximum of \$750. All applicants for reinstatement shall be assessed the \$100 reinstatement fee. The \$25 per month shall not be assessed if the applicant for reinstatement did not, during the period of lapse, engage in any acts or practices for which an active architect license is required in Iowa. Falsely claiming an exemption from the monthly fee is a ground for discipline; in addition, other grounds for discipline may arise from practicing on a lapsed certificate, license or permit to practice.

2.4(3) Provide a written statement outlining the applicant's professional activities performed in Iowa during the period in which the individual was unlicensed. The statement shall include a list of all projects with which the applicant had involvement and shall explain the service provided by the applicant.

2.4(4) Submit documented evidence of completion of 24 continuing education hours, which should have been reported on the June 30 renewal date on which the applicant failed to renew, and 12 continuing education hours for each year or portion of a year of expired licensure up to a maximum of 48 continuing education hours. All continuing education hours must be completed in health, safety, and welfare subjects acquired in structured educational activities and be in compliance with requirements in 193B—Chapter 3. The hours reported shall not have been earned more than four years prior to the date of the application to reinstate to active status. The continuing education hours used for reinstatement may not be used again at the next renewal.
