

701—40.70 (422) Exclusion of income from sale, rental or furnishing of tangible personal property or services directly related to production of film, television or video projects.

40.70(1) *Projects registered on or after January 1, 2007, but before July 1, 2009.* For tax years beginning on or after January 1, 2007, a taxpayer who is a resident of Iowa may exclude, to the extent included in federal adjusted gross income, income received from the sale, rental or furnishing of tangible personal property or services directly related to the production of film, television, or video projects that are registered with the film office of the Iowa department of economic development.

Income which can be excluded on the Iowa return must meet the criteria of a qualified expenditure for purposes of the film qualified expenditure tax credit as set forth in rule 701—42.37(15,422). See rule 701—38.17(422) for the determination of Iowa residency.

However, if a taxpayer claims this income tax exclusion, the same taxpayer cannot also claim the film qualified expenditure tax credit as described in rule 701—42.37(15,422). In addition, any taxpayer who claims this income tax exclusion cannot have an equity interest in a business which received a film qualified expenditure tax credit. Finally, any taxpayer who claims this income tax exclusion cannot participate in the management of the business which received the film qualified expenditure tax credit.

EXAMPLE: A production company which registers with the film office for a project is a limited liability company with three members, all of whom are Iowa residents. If any of the three members receives income that is a qualified expenditure for purposes of the film qualified expenditure tax credit, such member(s) cannot exclude this income on the Iowa income tax return because the member(s) has an equity interest in the business which received the credit.

40.70(2) *Projects registered on or after July 1, 2009.* For tax years beginning on or after July 1, 2009, a taxpayer who is a resident of Iowa may exclude no more than 25 percent of the income received from the sale, rental or furnishing of tangible personal property or services directly related to the production of film, television, or video projects that are registered with the film office of the Iowa department of economic development in the year in which the qualified expenditure occurred. A reduction of 25 percent of the income is allowed to be excluded for the three subsequent tax years.

EXAMPLE: An Iowa taxpayer received \$10,000 in income in the 2010 tax year related to qualified film expenditures for a project registered on February 1, 2010. The \$10,000 was reported as income on taxpayer's 2010 federal tax return. Taxpayer may exclude \$2,500 of income on the Iowa individual income tax return for each of the tax years 2010-2013.

This rule is intended to implement Iowa Code section 15.393 as amended by 2009 Iowa Acts, Senate File 480, section 5, and Iowa Code section 422.7.
