

721—21.302(48A) In-person absentee registration. After the close of voter registration for an election, a person who appears in person to apply for and vote an absentee ballot may register to vote if the person provides proof of identity and residence in the precinct in which the voter intends to vote using identification that meets the requirements set forth in Iowa Code section 48A.7A. The voter must also complete an oath of person registering on election day. If the voter does not have appropriate identification, the voter may establish identity and residence using the attestation procedure in Iowa Code section 48A.7A, subsection 1, paragraph “c.” Otherwise, the person may cast only a provisional ballot pursuant to Iowa Code section 49.81. Provisional ballot envelopes shall be used.

This rule is intended to implement Iowa Code section 48A.7A.
