

21—45.49(206) Pesticide use recommendations. Persons making pesticide use recommendations shall be familiar with the safe and proper use of each pesticide for which recommendations are made and shall not make any recommendations which are contrary to label instructions. The employer or licensee shall be responsible for all pesticide use recommendations made by their employees which are contrary to label instructions.

This rule is intended to implement Iowa Code sections 206.2, 206.4, 206.5, 206.6, 206.7 and 206.31.
