

761—101.5(306) Procedure for requesting modifications to the farm-to-market road system. To apply for a modification to the farm-to-market road system, a county must file an application through the department of transportation.

101.5(1) The application must include the following:

a. A copy of a resolution of the county board of supervisors requesting the modification to the existing farm-to-market road system. Farm-to-market modifications may include proposed roads, redesignation of area service roads, or transfers of jurisdiction.

b. A report of the county engineer explaining and justifying the addition of new mileage to the farm-to-market road system or the change in the route or farm-to-market classification proposed by the county.

101.5(2) In the case of intercounty routes, joint applications may be filed. Resolutions shall be required of each county.
