

**281—65.7(279) Allowable expenditures.** As set forth in Iowa Code section 279.51(1)“c,” school districts receiving awards shall, at a minimum, provide activities and materials designed to encourage children’s self-esteem, provide role modeling and mentoring techniques in social competence and social skills, and discourage inappropriate drug use. Additional allowable expenditures include salaries and benefits for teachers and paraeducators, and activities and materials to improve academic achievement. These funds shall be used for instruction, activities, and materials that are in addition to the regular school curricula for children participating in these programs and shall only be used in the building for which the award is made. Inappropriate uses of award funding include, but are not limited to, indirect costs or use charges, operational or maintenance costs, capital expenditures, student transportation other than that which is directly related to the activities and materials described in this rule, or administrative costs. Moneys received shall be subject to the general provisions described in rules 281—98.1(257) and 281—98.2(257).
