

351—4.16(68A,68B) Schedule D - Incurred Indebtedness.

4.16(1) *Reporting of debts and obligations other than monetary loans.* The committee shall report all debts and obligations owed by the committee that are in excess of the thresholds in subrule 4.14(3). This applies to any unpaid debt or obligations incurred by the committee for the purchase of a good or service, either as a debt or obligation owed to the immediate provider of the good or service, or as a debt or obligation owed to an individual who initially personally paid for the good or service on behalf of the committee with the expectation of ultimately receiving reimbursement from the committee. This does not include monetary loans, which shall be reported on Schedule F.

4.16(2) *Date incurred; balance owed.* The committee shall report the amounts of all indebtedness owed by the committee at the end of the reporting period chronologically by the date incurred. The date the debt or obligation is incurred is the date on which the committee committed to obtaining the good or service underlying the obligation and shall be reported using the month, day, and year. This date may be earlier than the date the provider of the good or service issues a bill to the committee. For example, if the committee places a printing order, but the printer does not issue a bill until some time after the order is placed, the date that shall be reported as the date the debt was incurred is the date the order is placed, not the date the bill was issued. If the precise amount of the final bill is not known by the time the report is due, the committee shall provide its best estimate as to what the obligation will be, with an indication “(e)” that the amount reported is an estimate. Debts and obligations incurred and reported in a prior reporting period but that remain unpaid as of the end of the current reporting period shall be included, showing the remaining balance on the obligation. Payments of all or part of a previously reported obligation shall be reported on Schedule D.

4.16(3) *Name and address of person to whom the debt or obligation is owed.* The schedule shall contain the name and address of each person to whom an obligation is owed. If the obligation is owed to an individual who initially personally paid for the good or service on behalf of the committee with the expectation of ultimately receiving reimbursement from the committee, the original nature of the obligation shall be provided; the name and address of the original provider of the good or service shall also be provided, unless the nature of the obligation indicates that the obligation is for the anticipated reimbursement for mileage or postage stamps.

4.16(4) *Nature of obligation.* The schedule shall include a description of the nature of each obligation. The description shall be a clear and concise statement that specifically describes the transaction that has occurred. Examples of general terms that are not acceptable are included in subrule 4.15(3).

This rule is intended to implement Iowa Code section 68A.402.
