

199—24.14(476A) Waiver.

24.14(1) The commission, if it determines that the public interest would not be adversely affected, may waive any of the requirements of this chapter.

24.14(2) In addition to any other service requirements, an applicant requesting a waiver must serve a copy of the waiver on all owners or record of real property that adjoins the proposed facility site.

24.14(3) In determining whether the public interest would not be adversely affected, the commission may consider the following factors:

- a.* The purpose of the facility.
- b.* The type of facility.
- c.* Whether the facility is for the applicant's own needs.
- d.* The effect of the facility on existing transmission systems.
- e.* Any other relevant factors.
