3.6(3) Licensure. Upon satisfactory review of the documentation described in subrule 3.5(1), the applicant will be issued a license to practice as a registered nurse or licensed practical nurse.

3.6(4) Failure to complete the licensure process. Once an application is initiated, the applicant has 12 months to complete the licensure process. The board reserves the right to destroy any applications and supporting documents after 12 months if the applicant has not completed the licensure process. Applicants who fail to complete the licensure process within 12 months are required to start the application process anew.

3.6(5) Changing primary state of residence for multistate license. A nurse who holds a multistate license issued by a party state and who changes the nurse’s primary state of residence to Iowa must apply for licensure in Iowa pursuant to this rule.
