

571—13.16(455A,461A) Removal orders. If the violation includes the unauthorized placement of materials or personal property on the public lands or public waters under the jurisdiction of the commission, and the person, who may include a permittee or authorized agent but may not, fails to comply with the action required by the notice, the director may cause a proposed removal order to be issued to the person responsible for such placement. The proposed removal order shall specify the removal action required and include notice of the right to an administrative appeal including a contested case hearing under procedures in 571—Chapter 7. The proposed decision in a contested case may be appealed to the commission under 571—Chapter 7. If there is no appeal from a proposed decision that includes a removal requirement, the proposed decision shall be presented to the director for review and adoption. A removal order approved by the director shall constitute final agency action under Iowa Code sections 461A.4 and 461A.5A and may be enforced through an original action in equity filed in a district court of the state by the attorney general on behalf of the department and the commission.
