

571—16.9(461A,462A) Initial decision and right of appeal. The decision on an application for a Class II, Class III or Class IV permit shall be provided in writing and may grant the permit, grant the permit with specific conditions, or deny the permit. If the decision is to deny the permit or to issue a permit with specific conditions that deny the application in part, the written decision shall include notice of the applicant's right to request a contested case under 571—Chapter 7. An applicant's request for a contested case may include a request for a waiver under the provisions of Iowa Code section 17A.9A and 571—Chapter 11.
