

571—33.11(455A) Waivers of retroactivity. Normally, grants for acquisitions or developments completed prior to application scoring will not be approved. However, an applicant may make written request for a waiver of retroactivity to allow project elements to be considered for grant assistance. Waivers will be granted in writing by the director and receipt of a waiver does not ensure funding, but only ensures that the project will be considered for funding along with all other applications.
