

**571—35.13(483A) Penalties.** Whenever any real or personal property acquired or developed with fish habitat fund assistance passes from the control of the grantee or is used for other purposes that conflict with the project purpose, it shall be considered an unlawful use of the funds. The department shall notify the county of any such violation.

**35.13(1) Remedy.** Funds thus used unlawfully shall be returned to the department for inclusion in the fish habitat fund, or local, non-cost-shared funds shall be used to acquire a replacement property of equal value at current market prices and with commensurate benefits to fish. The replacement property must be approved by the commission. The county shall have a period of two years after notification by the department in which to correct the unlawful use of funds. The remedies provided by this subrule are in addition to others provided by law.

**35.13(2) Land disposal.** Whenever it has been determined and agreed upon by the grantee and the commission that land acquired or developed with fish habitat fund assistance is no longer of value for the project purpose or that the county has other good cause, the commission may authorize that the land be disposed of and the proceeds thereof used to acquire or develop an area of equal value or that 90 percent of the proceeds be returned to the state for inclusion in the fish habitat fund.

**35.13(3) Ineligibility.** If the department determines that a county has unlawfully used fish habitat funds, the county shall be ineligible for further assistance until the matter has been resolved to the satisfaction of the commission.
