

**161—11.13 (17A,22,216) Personally identifiable information.** This rule describes the nature and extent of personally identifiable information which is collected, maintained, and retrieved by the agency by personal identifier in record systems as defined in rule 161—11.1(17A,22,216). Unless otherwise stated, the authority for this office to maintain the record is provided by Iowa Code chapter 216, the statutes governing the subject matter of the record, and the enabling statutes of the agency client, where applicable. The record systems maintained by the agency shall include but are not limited to the following:

**11.13(1) *Investigatory files.*** These files or records contain information collected or generated by Iowa civil rights commission staff or commissioners relating to any step in the complaint process beginning with the consideration or contemplation of filing a complaint up to the issuance of a notice of public hearing. Most of these records are paper files. However, some case management records and other records are in computer form. Those files are commonly indexed by the name of the opposing party. Some files are indexed by subject matter, witness, agency or other category.

**11.13(2) *Litigation files.*** These files or records contain information regarding litigation or anticipated litigation, which includes judicial and administrative proceedings. The records include pleadings, briefs, depositions, discovery material, docket sheets, documents, general correspondence, attorney-client correspondence, attorneys' notes, memoranda, research materials, witness information, investigation materials, information compiled under the direction of the attorney, and case management records. Most of these records are paper files. However, some case management records and other records are in computer form. The files are generally maintained by division and are commonly indexed by the name of the opposing party. Some files are indexed by subject matter, witness, agency, or other category. The files contain materials which are confidential as attorney work product and attorney-client communications. Some materials are confidential under other applicable provisions of law or because of a court order. Persons wishing copies of pleadings and other documents filed in litigation should obtain these from the clerk of the appropriate court which maintains the official copy.

**11.13(3) *Records.*** State of Iowa files are a subpart of the complaint file system and contain general information on an individual or business including correspondence, investigative information, agency subpoenas, demands for information and responses. Work product information contained in the state of Iowa file is considered confidential. The records are subject to the same confidentiality provisions as are complaint files.

**11.13(4) *Personnel files.*** The Iowa civil rights commission and individual divisions maintain files containing information about employees and applicants for positions with the agency. The files contain payroll records, biographical information, medical information relating to disability, performance reviews and evaluations, disciplinary information, information required for tax withholding, information concerning employee benefits, affirmative action reports, and other information concerning the employer-employee relationship. Some of this information is confidential under Iowa Code section 22.7(11).
