

871—24.60 (96) Alien. Any person who is not a citizen or a national of the United States. A national is defined as a person who lives in mandates or trust territories administered by the United States and owes permanent allegiance to the United States. An alien is a person owing allegiance to another country or government.

24.60(1) Section 3304(a)(14) of the Federal Unemployment Tax Act requires that the state law deny benefits which are based on services performed by an alien who has not been legally admitted to the country as a permanent resident. This provision does not deny benefits on the basis of services performed by noncitizens. It applies to services performed by individuals who do not have legal status of permanent residence in this country.

24.60(2) It is required that information designed to identify illegal nonresident aliens shall be requested of all claimants for benefits. This shall be accomplished by asking each claimant at the time the individual establishes a benefit year whether or not the individual is a citizen.

a. If the response is “yes,” no further proof is necessary and the claimant’s records are to be marked accordingly.

b. If the answer is “no,” the claimant shall be requested to present documentary proof of legal residency. Any individual who does not show proof of legal residency at the time it is requested shall be disqualified from receiving benefits until such time as the required proof of the individual’s status is brought to the local office. The principal documents showing legal entry for permanent residency are the Form I-94 “Arrival and Departure Record” and the Forms I-151 and I-551 “Alien Registration Receipt Card.” These forms are issued by the Immigration and Naturalization Service and should be accepted unless the proof is clearly faulty or there are reasons to doubt their authenticity. An individual will be required to provide the individual’s alien registration number at the time of claim filing.

c. Any or all documents presented to the department by an alien shall be subject to verification with the immigration and naturalization service. The citizenship question shall be included on the initial claim form so that the response will be subject to the provisions of rule 24.56(96), administrative penalties, and rule 871—25.10(96), prosecution on overpayments.

d. Rescinded IAB 8/6/03, effective 9/10/03.
