

191—20.41(515,515F) Purpose. This division is intended to implement and interpret Iowa Code sections 515F.30 to 515F.38 for the purpose of establishing procedures and requirements for a mandatory risk-sharing facility for basic property insurance coverage. This division is also intended to encourage improvement of and reasonable loss prevention measures for properties located in Iowa and to further orderly community development.
