

193C—3.2 (542B) Examination application components and due dates.

3.2(1) *Fundamentals of Engineering examination application components and due dates.* Applications for the Fundamentals of Engineering examination are submitted directly to the examination service selected by the board to administer the examinations and must be received on or before September 1 of each year for the examination given in the fall and on or before March 1 of each year for the examination given in the spring. Applications from the following applicants are submitted on forms provided by the examination service: any applicant who has an ABET/EAC or Canadian Engineering Accreditation Board (CEAB) accredited engineering degree; any applicant who is enrolled as a senior student in an ABET/EAC or CEAB accredited engineering curriculum; or any applicant who has a master's degree in engineering from an institution in the United States with an accredited bachelor's degree in the same curriculum. Applicants who do not meet the criteria above must submit an application for approval to the board on forms provided by the board. The components of this application include: the completed, notarized application form; references; and transcripts.

3.2(2) *Fundamentals of Land Surveying examination application components and due dates.* The components of this application include: the completed, notarized application form; references pursuant to 193C—paragraph 5.1(5)“b”; and transcripts. Fundamentals of Land Surveying examination applications require a detailed review and must, therefore, be submitted to the board office, postmarked on or before July 15 of each year for the examination given in the fall and on or before January 15 of each year for the examination given in the spring.

3.2(3) *Principles and Practice examination application components and due dates.* Principles and Practice of Engineering and Principles and Practice of Land Surveying examination applications require a detailed review and must, therefore, be submitted to the board office, postmarked on or before July 15 of each year for the examination given in the fall and on or before January 15 of each year for the examination given in the spring. The Principles and Practice examination application packet, including the following components, must be postmarked on or before the deadline date: (1) the completed, notarized and signed application form; (2) the required number of references; (3) the project statement; and (4) the ethics questionnaire. In addition, a complete application file must include verification of examination records and transcripts. Examination applications will not be reviewed by the board until the application file is complete. Since the verification of examination records must be sent directly from the jurisdiction where the applicant took the Fundamentals of Engineering examination, the applicant should contact the other jurisdiction well in advance of the deadline for submittal of the application to request this verification in order to ensure that the verification is received by the board no later than July 25 for the fall examination or by January 25 for the spring examination. For transcripts, the applicant should contact the university well in advance of the deadline for submittal of the application to ensure that the transcripts are received no later than July 25 for the fall examination or by January 25 for the spring examination. Examination application files that are not complete by January 25 will not be reviewed for the spring examination. Likewise, examination applications that are not complete by July 25 will not be reviewed for the fall examination.
